

# You are invited to attend an open house Public Meeting

## Regarding the Sumneytown Pike / PA 309 Connector Project Preliminary Engineering and Environmental Studies

The proposed Sumneytown Pike / PA 309 connector will be a two-lane road that ties Wambold Road to Township Line Road. At this public meeting, the project team will introduce the project scope, the environmental clearance process and environmental and engineering studies that are underway.

Please attend to hear the latest news about the project. Members of the project team will be available to receive your comments and answer your questions about this improvement project.
